Dear Mr. Caton:

Yesterday, January 31, 1996, we filed on behalf of SBC Communications Inc. a reply memorandum in support of its Petition for Reconsideration. Included as an attachment to the memorandum was Professor Robert G. Harris's affidavit, which attached 13 maps. Although the original that we filed yesterday included colored versions of these maps, all of the copies were in blackand-white. To make their reading easier, we are sending to you 11 sets of the maps in color which may be substituted for the photocopied versions submitted yesterday.

We will also send colored copies of the maps to counsel listed on the certificate of service. Thank you very much for your assistance in this matter.

Sincerely,

Mark L. Evans
